Fellowships, Grants & Awards

- **Myron Helffgot and Joseph Seipel Scholarship Recipient** | International Sculpture Center (2026) competitive conference scholarship awarded in support of professional development in contemporary sculpture. Given to support attendance of the International Sculpture Conference in October 2026.
- **DELPHI Fellowship** | Center for Material Culture Studies, University of Delaware (2026)

Conducted a material culture research fellowship in London examining the intersections of craft, labor, and political philosophy through archival research at the William Morris Gallery and the Marx Memorial Library. This research informs an ongoing studio practice investigating contemporary technologies, material production, and the social implications of emerging forms of fabrication.

- **Magnus Fellowship** | University of Delaware (2025)
Competitive merit fellowship providing a full-year living stipend to support one outstanding MFA student based on artistic excellence.
- **SEA Grant** | Bennington College (2024)
Competitive grant supporting the creation of original artwork, awarded through Bennington College's Student Endowment for the Arts on the basis of artistic excellence and project merit.
- **Brockway Merit Scholarship** | Bennington College (2023)
Merit scholarship awarded to selected incoming students on the basis of academic excellence, creative achievement, and demonstrated promise.
- **Iftekhhar Entrepreneurial Fellowship, Bennington College (2018) –**
Competitive merit-based fellowship providing funding and mentorship to support the development of an entrepreneurial or creative venture during Bennington College's Field Work Term.
